The implementation of the scheme was considered by the State Level Bankers' Committee (SLBC) and a decision was taken to implement the same Indian Bank's Association (IBA). however, keeping in view the enormous workload involved, took a view that it would be feasible to open the accounts in name of schools instead of in the name of the child, parents. IBA accordingly took up the matter with the State Government of Karnataka with the request to adopt the one school one account norm. The State Government have accordingly modified the scheme. As per the revised scheme, Head-masters will withdraw the incentive amount from their accounts and distribute the same to the mothers of the beneficiaries.
